

The Flowering Vase

In the picturesque setting of Villa San Carlo Borromeo and its Park, the **Lisa Bini Atelier** is holding a floral art class on the flowering vase in the formal, decorative and linear style. Lisa Bini's team of expert floral designers will guide you through the steps to creating your own composition in a vase.

Learn the art of matching colours, of combining tall, pointed flowers with full, round or hemispherical ones, and discover the modern effects of mixing tropical and native flowers.

For all those interested in the art of combining and in the beauty of nature, here is the chance to create that special setting for the drinks table, or for welcoming your guests with flourish.
